# INTRODUCTION

# THE NEW ERA PUBLIC SCHOOL

***“Education is the most powerful weapon which you can use to change the world.”***

The New Era Public School is run by experienced and dedicated management who truly believes in the philosophy –“let Noble thoughts come to us from every side’. आनंदमाकरणे यन्तुविश्वतः: The line from Rigveda is so meaningful, It says that our thoughts and capacity to think should be improvised such that, it benefits oneself and thereby the whole world It is situated in West Indore and is CBSE Higher Secondary School. The medium of instruction is English and is Co-Educational institute.

Our motto and vision is to develop a child into a better individual with good insight besides imparting knowledge. Our aim is to inculcate discipline and feelings of patriotism in each & every individual. They should be positive, self motivated, Knowledgeable and skilled. To fulfil the aim, child should get good

atmosphere and environment for learning and developing their skills and talents. That is why equal emphasis on Co-curricular and Extra-curricular activities is given so that they become self sufficient and independent.

The School is situated at Chhota Bangarda Road which has got very good potential as there is no good CBSE school in this area. Many new colonies are coming up in this area and also it is just ½ a km away from super Corridor.

As quoted by some one :

- Where the vision is one year, cultivate flower
- Where the vision is ten years, cultivate Tree
- Where the vision is eternity cultivate people.

The New Era Public School inspires the students and staff to work hard consistently and never give up the pursuit for excellence. Our dedicated, sincere and highly qualified staff works together as a strong team to support us in our goals.

So, I sign off with the promise of more laurels, landmarks and great legacies of success.....

***Mr. Manoj Budana - Director***

***“Education is not just about going to school & getting a degree.***

***It’s about widening your knowledge & observing the truth about life.”***

Education is the foundation of all we do in life. It shapes who we are and what we aspire to be.

In a student life school acts as a valuable learning tool that allows them to actively engage with material by taking on different persons and acting out scenarios, which helps them develop critical thinking, communication skills, empathy and the deeper understanding of complex concept. Emphasis is on learning and not on teaching , all while making the learning process more interactive and engaging.

At TNEPS campus 2 our mission is to provide an outstanding education and

inspire our students to engage in both academic and enriching extra curricular programmes. So that the uniqueness of each child is recognised, nurtured and treasured. We at TNEPS provide holistic education where children evolve as individuals, who are self- motivated, and creative, who can think, question and reason out logically; who are independent, confident and leaders capable of taking decisions.

# FROM PRESIDENT DESK

# THE NEW ERA PUBLIC SCHOOL

*"Education is not preparation of life, education is life itself."*

Our school is constantly scaling new heights with excellent professionals training our children in a range of co-curricular activities so that they evolve as excellent individuals who have honed their skills in the microcosm of the school and are equipped to lead and inspire in the microcosm of the world. We are very glad to say that our school is being upgraded till Class XII.

The school always tries its best to maintain the highest quality academic standard and provide the wonderful environment for studies..

"Imagination is more important than knowledge. For while knowledge defines all we currently know and understand, imagination points to all we might yet discover and create."

**Mr. Deepak Kusumakar - President**

## FROM PRINCIPAL DESK

As we continue to strive for excellence, let us work together to create a community built on respect , inclusivity and a shared commitment to education.

**Principal - Mrs. Archana Tiwari**

At TNEPS we take pride in nurturing well rounded individuals who are prepared to excel in all aspects of life. As Vice Principal I am committed to fostering an environment where academic excellence , personal growth and character development go hand in hand. Our school provides a supportive and inclusive atmosphere that encourages students to explore their talents, embrace challenges and strive for greatness. Together we aim to equip every student with the knowledge, skills and values needed to succeed in an ever-changing world.

**Vice Principal - Mrs. Rajkumari Parihar**

## FROM MANAGING COMMITTEE

***"Develop a passion for learning. If you do, you will never cease to grow".***

The New Era Public School is a proud mission driven community providing a world class education, celebrating the fact that each student is different, as a person and as a learner. We believe that powerful learning and teaching occurs under a shared spirit of respect which creates a passionate schooling experience recognized for its warmth, energy and excellence. Here people are valued and can fulfill their potential both as teachers and learners. I strongly believe that education is a collaborative effort that involves professional administrators, committed teachers and motivated students. We dedicate ourselves as professional administrators in creating a dynamic education programme empowering the students in a global perspective. We are a group of diverse experiences and outlooks, committed to excellence in preparing learners for enriched opportunities worldwide. In short, learning at TNEPS is a wholesome package of attitude, challenge and opportunity.

**Managing Director - Mrs. Ratna Kusumakar**

## ADMINISTRATOR

As We pen down my message with all humility as Administrator of this great institution History is created by those who have the light of knowledge the power of expression and an outstanding personality which shines brightly like the sun. We at TNEPS strive to inculcate these qualities in our students with the support of the parents who have trusted us with the significant task of nurturing their dear children. We give them things to fly but strong roots of moral values to keep them in touch with their rich culture.

**Mrs. Poornima Jain**

"Teachers are the most important individuals in our society , nothing is as powerful as the human touch in education." Teachers are the cornerstone of any society, playing a vital role in shaping the future through education and guidance. At The New Era Public School , the child is the nucleus of the entire teaching learning process. Here the teacher is the facilitator and an equal partner in the entire journey of a child's quest for knowledge, therefore we call them mentors. Every possible care is taken to ensure that our mentoring staff is of the highest possible quality in terms of dedication, talent and passion. Mentors at TNEPS are accessible to parents and students alike for one-to-one consultations, are helpful in addressing individual educational needs and eager to help.

## TEACHING METHODOLOGY

The National Education Policy (NEP) 2020 emphasizes transformative teaching methodologies to enhance the learning experience and equip students with the skills and knowledge needed for the 21st Century while fostering critical thinking, creativity and innovation. We strongly believe that for a child to achieve best in life.

Our Curriculum emphasizes on activity-based learning for which we create a suitable environment and focus on learning needs of each child rather than a predetermined set of pattern. We add further value by inculcating a strong sense of discipline and hard work in our kids; thus nurturing them to be future ready to face global challenges. The school lays strong emphasis on constructivist approach where the child is encouraged to be the architect of his/her own knowledge and Mentor act as guides rather than instructors.

TNEPS curriculum uses a variety of engaging teaching and learning methodologies that challenge and motivate learners to excel. It focuses on nurturing in them knowledge and skills essential for success in the 21st century. Our teachers make use of flipped classrooms, project-based learning, brainstorming, role play, interactive lab experiments and self and peer evaluation, to make learning more engaging and effective.

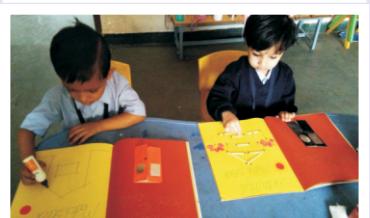

### ACTIVITY ROOM : (Art & Craft)

Art & Craft activities in school are essential for the holistic development of students, offering numerous benefits beyond academic learning.

The school is equipped with an Art Room where the creative surge of the student finds expression in varying forms. By integrating art and craft into the curriculum, schools help nurture well-rounded individuals who appreciate culture, develop creative thinking and gain confidence in their activities. The students are geared to excel in their artistic caliber by a team of experts. The art room boasts of a proud collection of artwork from KG-I to Grade XII.

### KINDERGARTEN

The Kindergarten Programme inculcates in children the qualities of curiosity, exploration and discovery in a fun-filled, safe and happy learning environment. The Kindergarten Programme makes use of a range of individual and group activities which create a lively and positive learning environment. Games, songs, creative projects, story-telling, role-playing, drawing and painting help develop children's foundational skills in literacy and numeracy. They are encouraged to play, explore and discover through dance, music, art and craft. Singing, rhyming and reciting are employed in the Language Arts, and the Phonics Programme. The use of manipulative, pictures and symbols helps them identify relationships between sets and groups of things to be sorted, counted, shared and represented. Sports and interactions with sports teachers help in strengthening coordination and motor skills, and instil enthusiasm for sports.

# ANNUAL CULTURE PROGRAMME

# THE NEW ERA PUBLIC SCHOOL

The School Annual Day Celebration is one of the most anticipated event in a school, bringing together students, teachers and parents to celebrate achievements and showcase talents.

Every year the school celebrates annual events during the month of November/December. In which students get an opportunity to present themselves before parents and guests. The event not only highlights the hard work and dedication of students throughout the year but also provides a platform to nurture creativity and teamwork. The energized and motivated students showcase colour filled and theme oriented performance.

## SPORTS

For true integrated growth to take place, our children's physical self must be systematically developed. Sports facilities at our school include indoor games and outdoor sports. The sports curriculum is designed according to the needs of the different age groups. In the pre-primary and primary classes, emphasis is laid on the development of gross motor skills, physical stamina, flexibility, balance, strength, hygiene, overcoming physical fears and hesitations and the development of team play. In the primary classes, games with rules become increasingly important. Team accomplishments complement individual goals for excellence. Gradually, skills of play and precision with mastery assume greater significance for students of the secondary and senior secondary classes. Indoor facilities will be made available for table tennis, chess, carom and gymnasium. Outdoor sports include basketball, tennis,

## MUSIC ROOM

A Music Class in school is a lively and enriching environment where students discover the joy of music while developing essential skills. It provides an opportunity to learn singing, playing instruments and understanding musical theory in a fun and interactive way. Music classes include activities like choir practice, rhythm exercises and group performances encouraging team work and creativity.

# LIBRARY

# THE NEW ERA PUBLIC SCHOOL

Our school library stands as a vibrant hub of knowledge and exploration , fostering a love for reading and lifelong learning. With its rich collection of books, digital resources and interactive tools , it caters to the diverse interests and academic needs of every student. Truly, our library is the cornerstone of academic excellence and personal development.

## LABS

The Science Labs in the school provide students with a hands-on learning environment to explore the wonders of Physics, Chemistry, and Biology. Fully equipped with modern tools, safety gear and high-quality instruments, the Lab allows the students to conduct experiments , analyze results and apply theoretical knowledge in practical ways. With a strong emphasis on safety and guided by expert instructors , the Lab serves as a foundation for developing scientific skills & nurturing future innovators.

## COMPUTER LAB

There are 40 computers in the two separate Computer Labs for Junior & Senior class students, along with the latest technology to foster digital literacy and innovation. Designed to accommodate students of all grades, the Labs offer high -speed internet, modern software and interactive learning tools to enhance practical skills in coding, programming & multimedia projects under the guidance of experienced instructors. Students explore the ever-evolving world of technology, preparing them for the digital challenges of the future.

## TRANSPORTATION

The Transport facility currently includes 5 buses, 6 magics & vans that are equipped with a Vehicle Tracking System (VTS) and on board cameras. This allows the School to monitor speed and location of the route. This effectively ensures the safety and security of scholars on board.

Each bus is manned by a security guard and care giver who pick and drop children safely from their designated bus stops to school and back. Parents/Guardians are expected to carry the Escort Card at all times during the Pick-up and drop.
